Auxiliary Mission Statement

The mission statement of the Auxiliary of the Morgan's Point Fire Department is to empower volunteers to serve, support and be of assistance, meet humanitarian needs and promote cooperation and goodwill in the community.

The members of the Auxiliary will pursue their mission statement through activities supporting the fiscal, public service and response support needs of the Fire Department and Volunteer Firefighters.

Working toward this goal, the Auxiliary will provide service and assistance by being involved in activities such as, but not limited to, the following:

- Respond to request for assistance during fires and other situations that require the Firemen to be on scene for an extended period of time
- Initiate community service outreach programs
- Provide fundraising efforts for Auxiliary and Volunteer Firefighters
- Open and maintain communication with neighboring auxiliary board for partnering and learning purposes
- Support fellow fire department members and/or families in times of need or crisis

Actively recruit new members for the Auxiliary

THE COLLECT

Keep us, O God, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault finding and leave off self-seeking. May we put away all pretense and meet each other face to face without self-pity and without prejudice.

May we never be hasty in judgment and always generous. Teach us to put into action our better impulses, straight forward and unafraid.

Grant that we may realize; the little things create differences; that in the big things of life, we are as one.

Let us take time for all things; make us grow calm, serene, and gentle. May we strive to touch and know the great human heart of us all, and O God, let us not forget to be kind.

2022 MEMBERSHIP APPLICATION

The Auxiliary is a 501(c)3 volunteer organization of service-oriented people, whose main purpose is to raise funds to support our Fire Department. Several projects are planned throughout the year raising money to help buy equipment and help pay for training to benefit our Morgan's Point Resort Volunteer Firefighters. The Auxiliary always welcomes new members and invites Morgan's Point Resort residents; and residents of surrounding areas to visit a monthly meeting in order to get acquainted.

*The Auxiliary motto is
"We ♥ our Fire Department!"*

"We ♥ to let them know it!"

YOU ARE NEEDED TO JOIN IN THE FUN

The Ladies Active Auxiliary is an opportunity to help assist your community while creating friendships and fellowships.

We are a service-oriented organization, whose main purpose is to raise funds and support our Emergency Services.

As a volunteer, you may have one or two projects that you can contribute time to, or you may have a lot of time you would like to volunteer. Whatever your availability, we try to provide teams opportunities that you feel you can handle. It does take many volunteers to make sure our fundraising projects are successful.

We realize that most of our volunteers work or are busy with other commitments and don't have time to attend lots of meetings.

We try to keep our business to a minimum during the meetings to discuss projects and recruit volunteers for teams.
