Dear Community Partner,

I am pleased to give you the opportunity to help our chosen recipient for this year's Gator Getter's Trash Pickup, the Slice of Heaven Educational Farm (a 5013C non profit) with their Summer Youth Environmental Projects. Many children would love and benefit from attending, but due to lack of funds are unable to do so. The Slice of Heaven will use all proceeds given to them to help these children attend the camp! One of their projects is to have the children make "all sorts of things" out of the water bottles and other trash collected!! They are thrilled to partner with us to help keep our beautiful lake BEAUTIFUL!!

Please consider donating money and/or prizes. This is our 3rd year to do the cleanup (last year we removed 1000s of pounds of trash from the lake!) and we know this year will be even more!! Each year new participants show up to prove their love for our beautiful lake!!! Our sponsors will have their names placed on the banner and on Tee-Shirts to aid with advertising!

This year's trash pickup will be held on September 16th beginning at 8:30 a.m. until 2:00p.m. Breakfast will be served beginning around 7:30 that morning! A cookout will be held the night before to get ready for the next day!!! All activities will be held at the Sunset Pavillion, Cedar Ridge Park. Please contact others you know would want to help with underwriting and any groups that want to participate! We will have alligators with sponsor bandanas "hidden" around the lake on trash to help those either kayaking, jet skiing, boating, canoeing or walking the shore line. There are many levels of participation and sponsorship.

Prizes will be awarded to the participants.
