Director Application Information

Thank you for your interest in serving on the Board of Directors for the Morgan's Point Resort Economic Development Corporation (MPR EDC). The EDC is a volunteer board dedicated to strengthening Morgan's Point Resort's economic vitality and supporting a welcoming, vibrant community.

About the EDC- The MPR EDC operates under Texas Local Government Code Chapters 501 and 505. The Board consists of seven Directors and three officers, each appointed by the City Council for a two-year term. Directors may be reappointed.

Regular Meetings: Quarterly on the **third Thursday of October, January, April, and July**, from **12:30 PM–2:00 PM** at the Garrett & Mic Hill Event Center (60 Morgan's Point Blvd). A quorum of four Directors is required.

Director Responsibilities – Directors actively participate by contributing ideas, offering feedback, and helping evaluate opportunities that support the annual Workplan. They play an important role in discussions, decision-making, and shaping project direction. Each Director may lead or co-lead a Workplan focus area, with responsibilities shared across the Board. No one is expected to manage projects alone — we work collaboratively, with structure and support provided throughout the process.

Community Awareness- Directors help the EDC stay informed by sharing observations, business needs, or opportunities they notice in the community. No specialized background is required.

Quarterly Engagement- Directors attend quarterly meetings, review materials, and provide brief updates related to their Workplan area for inclusion in the Annual Report to City Council.

Training Requirements- Directors must complete the Open Meetings Act and Public Information Act training courses and file certificates with the EDC Secretary. Training link:
